Falls and Fragility Fracture Audit Programme (FFFAP)

The NHFD is run by the Care Quality Improvement Directorate (CQID) of the Royal College of Physicians (RCP). It is part of the Falls and Fragility Fracture Audit Programme (FFFAP); one of three workstreams, alongside the Fracture Liaison Service Database (FLS-DB) and National Audit of Inpatient Falls (NAIF). The programme is commissioned by the Healthcare Quality Improvement Partnership (HQIP) and works within a governance structure that includes the programme's Board, Advisory Group and Patient and Carer Panel.

Healthcare Quality Improvement Partnership (HQIP)

The Falls and Fragility Fracture Audit Programme is commissioned by the [Healthcare Quality Improvement Partnership \(HQIP\)](#) and funded by NHS England and Governments of Wales and Jersey as part of the [National Clinical Audit and Patient Outcomes Programme](#).

The Royal College of Physicians (RCP)

The Royal College of Physicians is a registered charity that aims to ensure high-quality care for patients by promoting the highest standards of medical practice. It provides and sets standards in clinical practice, education and training, conducts assessments and examinations, quality assures external audit programmes, supports doctors in their practice of medicine, and advises the government, the public and the profession on healthcare issues.
